- 6

## **Amendments to the Specification:**

Please delete the paragraph on page 10, lines 10-13, and replace it with the following paragraph:

FIG. 1A and 1B is a schematic representation showing contiguous oligonucleotides of the invention targeted to various functional regions of the HBV ayw sequence from nt 1786-2328 (SEQ ID NO: 57);

Please delete the paragraph on page 10, lines 21-23, and replace it with the following paragraph:

FIG. 3 is a schematic representation showing the sequence and two-dimensional structure of the epsilon region (SEQ ID NO: 78);

Please delete the Table 1 on page 16, and replace it with the following Table:
